

GS8212N

| ITEM | PART NAME              |
|------|------------------------|
| 1    | Tank                   |
| 2    | Filter                 |
| 3    | Sealing ring           |
| 4    | Intake valve           |
| 5    | cap                    |
| 6    | Fixed bracket          |
| 7    | spring                 |
| 8    | Pin                    |
| 9    | Battery cover plate    |
| 10   | Battery pack bracket   |
| 11   | Power indicator        |
| 12   | Switch                 |
| 13   | speed-control switch   |
| 14   | Tube clamp             |
| 15   | Water inlet connection |
| 16   | Clamp                  |
| 17   | Mini pump              |
| 19   | Hose nut               |
| 20   | Water tube protector   |
| 21   | Hose                   |
| 22   | Trigger                |
| 23   | O-ring                 |
| 24   | cover for opening      |
| 25   | Nut for spray rod      |
| 26   | spray rod              |
| 27   | double nozzle          |
| 28   | Straps                 |
| 29   | Inlet water filter     |
| 30   | base plate             |
| 31   | Screw                  |
| 32   | Battery pack           |
